Hotel Search and Site Selection

Let us do the hotel shopping for you! We will find the best hotels at rates within your budget. We work with all the major hotel chains throughout North America. Our focus is on our customers so we are not beholden to any single hotel chain or property. Whether you have one date or a series of dates, contact us and we can get you the best rates at any hotel.

We specialize in negotiating the absolute best hotel room rates for groups of 5 rooms or more per night. Your personal Travel Advocate will research hotels to locate the perfect place to host your group. TravelAdvocates will find your next hotel, negotiate the sleeping room rates, meeting room rental, and any food & beverage requirements you may have – at no cost to you. Our complimentary service frees up your time while we leverage our industry contacts and buying power to deliver the highest level of hotel site selection for your budget.

Hotel Rate and Contract Negotiation

We are your advocates so we want the most flexible contract policies and absolute best room rates so you can sell more tour packages closer to each departure date. Our groups take advantage of our hotel contracts knowledge and legal expertise. Our owner is a former tour operator and knows the hotel rooms are a key component that can make or break a successful tour. We want the hotel room rate to be as close to zero as possible so you can sell more seats! Our licensed attorneys on staff will review your hotel contracts before you sign them to help you avoid liability – this is an extra service we provide complimentary for all our groups.

You have a choice of signing contracts directly with the hotels or one unique contract with Travel Advocates. The same applies to payments. We simply want you to take advantage of our unusually strong hotel relationships so you get the best room rates possible. Our experienced staff has been working with tour operators and group travel planners for more than 15 years to secure the best hotel rooms at the best rates. Take advantage of our buying power and contact us today!
